

## LeRoy O'Connell Memorial Scholarship 2021

In memoriam of LeRoy O'Connell, a scholarship in the amount of \$500 will be awarded to a deserving graduating student entering a trade school. Although he himself never graduated from high school, LeRoy was able to complete training at the Job Corps and became an auto body mechanic. He had a successful career, specializing in auto alignment and body repair. In his spare time, he restored muscle cars. LeRoy was paramount to the success of his children and was a supporter of post-graduate training. His wife, Charmaine, and his daughter, Dr. Sara O'Connell, have set up this scholarship in his memory to continue to support the aspirations of the graduates attending trade schools.

\*\* Write a 150 to 200 word essay explaining why you would be a good candidate for this scholarship. Also explain what two year college or trade school you plan to attend and what your career goals are?
