SECTION II: K1-12 PRINCIPAL

Good Evening,

Coming back from the winter break, our students and staff have brought a renewed energy to the building. Hard to believe we are officially entering the second half of the 2023-2024 school year. I'm looking forward to the second semester and enjoying a period of time without as many disruptions as the holiday season brings to the school.

The first semester officially ended on the 11th of January.

Upon returning to school on the 3rd of January, both elementary and junior high school students have started our second of three MAP assessment windows. MAP assessments are serving as our district testing process. Since starting with MAP at the beginning of the year, the logistical aspect has been virtually seamless this time around when compared to the fall and the first time assessing. High school begins testing this week and will block out two periods in the morning as needed for students to complete the assessments. The data from the winter testing window will provide us with great information to be able to make adjustments and help ensure that we are meeting the needs of every student.

State testing (MAST) is an ongoing process. Our third testing window will be January 29 through February 6th.

Our students returned from the break in strong form. With activities and weekley ski trips scheduled, there has been a lot going on. Our students continue to do a great job in keeping a positive attitude for school and accepting challenges. I'm proud of their resilience.

Our open 5th grade position remains filled and at this point will more than likely continue to be filled by our long term substitute teacher. While the situation is unfortunate, our sub has continued to be a great benefit to our students and school.

On the horizon, the elementary school is looking to update the reading/ELA curriculum. The current curriculum dates back to 2015 and lacks continuity from each grade level. Currently, staff has been evaluating materials and working towards making a decision on which direction and curriculum will best meet our needs.

Until next time,

Michael Wilson

SECTION III: SUPERINTENDENT

Superintendent's Message to the Board,

Board members,

We are wrapping up another successful semester here at Cascade Schools.

As part of quick analysis as to the state of the district, we are short staff in various departments of the district. I feel our staff is strong and here for the right reasons, but I hope to continue with recruitment efforts as I don't want to overstress any of our hard working staff. We have enough to get the job done but a few more hands would be beneficial to maintain morale.

With that said, the district is still on an upward trajectory for culture and morale. I frequently get comments of how staff and community members feel the district is in a good place right now.

The school safety and threat committee has started meeting to assess district disaster risks and review/update our school safety plans and protocols. We will be meeting once a week for ~15 min to assess our current protocols and procedures, prioritize updates, and modify plans, policies and procedures accordingly. This falls in line with Senate Bill 213 and the task requested by board members.

We also have several other areas that need updating as a result of the last legislative session. I am currently working with the Office of Public Instruction (OPI) and School Administrator of Montana (SAM) to formulate an assessment for screening four year old students that may be admitted for targeted intervention. This is the program that will replace our early kindergarten program. We are hoping to find a way to serve as many, if not all, the students in our community.

The administrative team is also working with OPI to create our graduate profile and update other information that has been requested at the state level. There are several new requirements for accreditation. While I have no doubt we will meet the requirements and standards in a timely fashion, it is a slow process as even the state does not know exactly what it will look like upon completion. We have several tasks that are new additions to our normal yearly schedule but we get them done as we always do.

With Badger Pride,

Levi Collins

Memorandum of Understanding

December 21, 2023

This Memorandum of Understanding is in reference to the language in paragraph three in Appendix "B", Appendix "B-1" and Appendix "C" of the 2023-2024 Collective Bargaining Agreement, which states "Teachers new to the system will be granted credit on a 1:1 basis for all previous teaching experience. All teaching shall have been in consecutive years in fully accredited schools. Consideration for non-consecutive years may be made for teachers who left teaching to further their education, i.e. earning a Masters Degree. Subject to the preceding limitations, placement on the salary schedule and years credited will be at the discretion of the superintendent."

43 privacy. The possibility of a closed session shall be noted on the respective agenda item
44 appearing on the public noticed published in accordance with this policy. The individual whose
45 right of privacy will be considered during the possible closed session shall be notified in writing
46 of the meeting. Before closing a meeting, the presiding officer must determine that the demands

1 of individual privacy exceed the merits of public disclosure and so state publicly before going
2 into closed session. The Board also may go into closed session to discuss a strategy to be
3 followed with respect to litigation, when an open meeting would have a detrimental effect on the
4 litigating position of the District. This exception does not apply if the litigation involves only
5 public bodies or associations as parties. Before closing a meeting for litigation purposes, the
6 District may consult legal counsel on the appropriateness of this action. No formal action shall
7 take place during any closed session. Closed session meeting minutes shall be completed in
8 accordance with Policy 1420.

1 minutes as specified in this policy, the provisions of the policy as required by Section 2-3-212, MCA,
2 shall apply.

3
4 The District is not required to disrupt or reschedule a meeting if there is a technological failure of
5 the meeting recording. If the recording is not able to be made available on the District’s website or
6 social media site, the District shall prominently post a notice in the same manner as a notice of a
7 public meeting under Policy 1400 and shall post a notice at all locations where the meeting recording
8 links are available. The notice must explain the reason the meeting was not recorded and describe the
9 steps taken to remedy the failure prior to the next meeting.

10
11 **(Optional) If the District is capturing the audio or video recording of the meeting to be published as**
12 **required by this section through a platform that is also broadcasting or streaming the meeting, the**
13 **District shall arrange for the written commenting functionality of the platform to be engaged so**
14 **citizens using the platform to observe the meeting also have the opportunity to comment in**
15 **accordance with the provisions Policy 1420F. If the platform does not provide written commenting**

18 **Optional Language) DO NOT INCLUDE**

19 20 Consent Agenda

21
22 To expedite business at its meetings, the Board approves the use of a consent agenda, which includes
23 those items considered to be routine in nature. Any item that appears on the consent agenda may be
24 removed by a member of the Board. Any Board member who wishes to remove an item from the
25 consent agenda must give advance notice in a timely manner to the Superintendent. Remaining items
26 will be voted on by a single motion. The approved motion will be recorded in the minutes, including
27 a listing of all items appearing on the consent agenda.

28 29 Minutes

30
31 Appropriate minutes of all meetings required to be open must be kept and must be available for
32 inspection by the public. **[(Optional) If an audio recording of a meeting is made and designated as**
33 **official, the recording constitutes the office record of the meeting. If an official recording is made, a**
34 **written record of the meeting must also be made and must also include:**

- 35
- 36 • **Date, time, and place of the meeting;**
 - 37 • **Presiding officer;**
 - 38 • **Board members recorded as absent or present;**
 - 39 • **Summary of discussion on all matters discussed (including those matters discussed during the**

41 **taken;**
 - 42 • **Detailed statement of all expenditures;**
 - 43 • **Purpose of recessing to closed session; and**
 - 44 • **Time of adjournment.**

45
46 **If the minutes are recorded and designated as the official record, a log or time stamp for each main**
47 **agenda item is required for the purpose of providing assistance to the public in accessing that portion**
48 **of the meeting. (end optional language)] DO NOT INCLUDE**

1
2 Unofficial minutes shall be delivered to Board members in advance of the next regularly scheduled
3 meeting of the Board. Minutes need not be read publicly, provided that Board members have had an
4 opportunity to review them before adoption. A file of permanent minutes of Board meetings shall be
5 maintained in the office of the Clerk, to be made available for inspection upon request. A written
6 copy shall be made available within five (5) working days following approval by the Board.

7
8 Quorum

9
10 No business shall be transacted at any meeting of the Board unless a quorum of its members is
11 present. A majority of the full membership of the Board shall constitute a quorum, whether the
12 individuals are present physically or electronically. A majority of the quorum may pass a resolution,
13 except as provided in § 20-4-203(1), MCA, and § 20-4-401(4), MCA.

14
15 Electronic Participation

16
17 The Board may allow members to participate in meetings by telephone or other electronic means.
18 Board members may not simply vote electronically but must be connected with the meeting
19 throughout the discussion of business. If a Board member electronically joins the meeting after an
20 item of business has been opened, the remotely located member shall not participate until the next
21 item of business is opened.

22
23 If the Board allows a member to participate electronically, the member will be considered present
24 and will have his or her actual physical presence excused. The member shall be counted present for
25 purposes of convening a quorum. The Clerk will document it in the minutes, when members
26 participate in the meeting electronically.

27
28 Any Board member wishing to participate in a meeting electronically will notify the Chairperson and
29 Superintendent as early as possible. The Superintendent will arrange for the meeting to take place in
30 a location with the appropriate equipment so that Board members participating in the meeting
31 electronically may interact, and the public may observe or hear the comments made. The
32 Superintendent will take measures to verify the identity of any remotely located participants.

33
34 Meeting Conduct and Order of Business

35
36 General rules of parliamentary procedure are used for every Board meeting. *Robert's Rules of Order*
37 may be used as a guide at any meeting. The order of business shall be reflected on the agenda. The
38 use of proxy votes shall not be permitted. Voting rights are reserved to those trustees in attendance.
39 Voting shall be by acclamation or show of hands.

40
41 Rescind a Motion

42
43 A motion to rescind or cancel previous action may be made anytime by any trustee. A motion to
44 rescind must be properly noticed on the Board's agenda for the meeting. It is in order any time prior
45 to accomplishment of the underlying action addressed by the motion.

The activity is strictly voluntary. My signature below gives my child permission to participate in a Cascade School Activity.

I, the undersigned, hereby acknowledge and understand that, regardless of all feasible safety measures that may be taken by the School District, participation in this event entails certain inherent risks. I certify that my student is physically fit and medically able to participate or have noted an applicable physical or medical diagnosis at the bottom of this form. I further certify that my student will honor all instructions of district staff and failure to honor instructions may result on dismissal from the activity. I have been informed of these risks, understand them, and feel that the benefits of participation outweigh the risks involved. I understand any negligence arising out of the student’s participation in the program shall be attributed to me as comparative negligence within the meaning of Section 27-1-702, MCA.

I authorize qualified emergency medical professionals to examine and in the event of injury or serious illness, administer emergency care to my student. I understand every effort will be made to contact the family or contact person noted below to explain the nature of the problem prior to any involved treatment. In the event it becomes necessary for the district staff in charge to obtain emergency care for my student, I understand that neither the district employee in charge of the activity nor the school district assumes financial liability for expenses incurred because of an accident, injury, illness and/or unforeseen circumstances.

5 Field Trips, Excursions, and Outdoor Education

6
7 The Board recognizes that field trips, when used as a device for teaching and learning integral to
8 the curriculum, are an educationally sound and important ingredient in the instructional program
9 of the schools. Such trips can supplement and enrich classroom procedures by providing
10 learning experiences in an environment beyond the classroom. The Board also recognizes that
11 field trips may result in lost learning opportunities in missed classes. Therefore, the Board
12 endorses the use of field trips, when educational objectives achieved by the trip outweigh any
13 lost in-class learning opportunities.

14
15 Field trips that will take students out of state must be approved in advance by the Board; building
16 principals may approve all other field trips.

17
18 Building principals will develop procedures with respect to field trips, excursions, and outdoor
19 education.

20
21 Staff members may not solicit students during instructional time for any privately arranged field
22 trip or excursion without Board permission.

23
24 Transportation and lodging for trips or events under this policy shall be in accordance with
25 Policy 8132. The presence of a person with a currently valid first aid card is required during
26 school-sponsored activities, including field trips, athletic, and other off-campus events. Parental

5 Nonresident Student Enrollment

6
7 For the purposes of this policy, except as provided in Section 20-9-707, MCA, a student’s district
8 of residence must be determined on the basis of the provisions of Section 1-1-215, MCA.

9
10 Mandatory Nonresident Enrollment for Extenuating Circumstances

11
12 The District shall enroll a student who resides outside of the District whenever the extenuating
13 circumstances listed in Section 20-5-321, MCA, exist.

14
15 Applying for Nonresident Enrollment with No Extenuating Circumstances

16
17 Whenever the extenuating circumstances listed in Section 20-5-321, MCA do not exist and
18 mandatory enrollment of a student who resides outside the District is not required, the District
19 may enroll the nonresident student at the request of the student’s parent or guardian as specified
20 in this policy. The District shall serve children who are residents of the district and nonresident
21 children seeking mandatory enrollment for extenuating circumstances prior to enrolling
22 nonresidents students seeking to apply when extenuating circumstances do not exist.

23
24 Every nonresident student who seeks to enroll in the District shall apply for admission for the
25 succeeding school year by June 15th. All applications shall be submitted using the form found at
26 Policy 3141F as developed by the Superintendent of Public Instruction. (Optional) For planning **INCLUDE**
27 purposes, late applications shall not be considered. (End Optional Language) Nonresident
28 students shall reapply for admission each school year. Admission in one school year does not
29 infer or guarantee admission in subsequent years. Each application shall be assigned a unique
30 number distinct from a student identification number that does not disclose a student’s personally
31 identifiable information consistent with Policy 3600. Within 10 days of the initial application for
32 an agreement, the District shall notify the parent or guardian of the child and district of residence
33 involved in the out-of-district attendance agreement of the anticipated date for approval or
34 disapproval of the agreement.

35
36 The Board of Trustees authorizes the District Administrator to review the applications for
37 nonresident enrollment consistent with his policy and Section 20-3-320, MCA. Not more than
38 30 days following the application deadline, the District Administrator shall submit a list of
39 students to the Board of Trustees who are recommended for enrollment. The Board of Trustees
40 shall make the decision to approve or deny requests for nonresident enrollment during a meeting
41 of the Board. Each application shall be considered during a closed session consistent with Policy
42 1400 after giving prior notice to the parents that their application will be considered by the Board
43 of Trustees in a closed session of the Board. Any motion on an application shall be made
44 referring to the distinct application number.

1 In reviewing and determining whether to approve an application for attendance by a nonresident
2 child, the District Administrator shall recommend for approval and Board of Trustees shall
3 approve the application unless the Board of Trustees find that the impact of approval of the
4 application will negatively impact the quality of education for resident pupils by grade level, by
5 school, or in the District in the aggregate in one or more of the following ways:

6
7 1. The approval would result in exceeding limits of:

- 8 A. building construction standards pursuant to Title 50, chapter 60, MCA;
- 9 B. capacity and ingress and egress elements, either by individual room or by
10 school building, of any fire code authorized by Title 50, chapter 3; or
- 11 C. evacuation elements of the district's adopted school safety plan.

12 The Board authorizes the District Administrator to coordinate with the local fire
13 marshal, law enforcement, health department, and first responders when developing
14 standards under this Subsection 1. Findings shall be adopted by the Board in the
15 District's strategic plan or plan for continuous improvement specified in Policy 1620.

16 2. The approval would impede meeting goals, standards, or objectives of quality
17 education adopted by the Board in the District's strategic plan or plan for continuous
18 improvement specified in Policy 1620.

19 3. The approval would risk jeopardizing the educational quality adopted by the Board in
20 the District's strategic plan or plan for continuous improvement specified in Policy 1620
21 because the nonresident child who is applying was:

- 22 A. truant as defined in Section 20-5-106, MCA, in the last school district
23 attended;
- 24 B. expelled by another school district at any time; or
- 25 C. suspended in another school district in any of the 3 school fiscal years
26 preceding the school fiscal year for which attendance is requested. This
27 Subsection C does not apply to a student who is eligible for special education or
28 related services.

29
30 Review and consideration of applications and the records of applicants as well as decisions
31 regarding admission cannot be inconsistent with District policies regarding nondiscrimination. In
32 the event the District receives more applications than the District can accommodate, the District
33 shall prioritize applications on the basis of the quality of education for students who are residents
34 of the district of attendance and the obligations of resident taxpayers. This priority may include
35 applications from children of District employees as well as children with siblings who have
36 previously enrolled in the District as nonresident students. This priority is specifically
37 established and shall be implemented on a rational basis to provide a quality education to
38 students enrolled in the District.

39
40 Within 10 days of approval or disapproval of an application for non-resident enrollment, District
41 shall provide copies of the approved or disapproved attendance agreement to the parent or
42 guardian and to the district of residence. In the case of a disapproval, the District shall provide
43 the specific allowable reason for the disapproval consistent with this policy and supporting
44 documentation.

45
46 For an approved application and out-of-district attendance agreement the District shall provide a
47 copy of the completed agreement to the county superintendent of schools of the county of

1 residence, county superintendent of schools of the county of attendance, and the Superintendent
2 of Public Instruction. Whenever a student enrolls in and attends a school outside of the student's
3 district of residence under the provisions of this policy, by July 15 following the year of
4 attendance, the district of attendance shall notify the district of residence of an obligation under
5 Section 20-5-323, MCA.

6
7 If an out-of-district attendance agreement is disapproved or no action is taken, the parent or
8 guardian may appeal the disapproval or lack of action in accordance with Montana law.

9
10 Unless otherwise agreed by the district of residence and the district of attendance, the family of a
11 nonresident child whose application for attendance has been approved is responsible for
12 transportation of the child and the child is not an eligible transportee as defined in Section 20-10-
13 101, MCA. The district of attendance may discretionarily provide transportation pursuant to
14 Section 20-10-122, MCA.

15 16 Discretionary Nonresident Student Attendance Policy

17
18 ~~This policy shall terminate and expire on June 30, 2024, to be replaced in its entirety by a policy~~
19 ~~governing non-resident student enrollment consistent with Chapter 368 (2023).~~

- 20
21 ~~1. Except as required by § 20-5-321, MCA, the District will admit nonresident students at~~
22 ~~its discretion.~~
- 23
24 ~~2. The Superintendent will recommend to the Board any nonresident student admission in~~
25 ~~accordance with this policy, with the Board making the final decision on admission.~~
- 26
27 ~~3. The District will examine a student's records from this district and other school districts~~
28 ~~before any Board approval for admission. Review of the records and decisions regarding~~
29 ~~admission cannot be inconsistent with district policies regarding nondiscrimination. Any~~
30 ~~priority among the applications shall be on a rational basis that prioritizes the quality of~~
31 ~~education for students who are residents of the district of attendance and the obligations~~
32 ~~of resident taxpayers.~~
- 33
34 ~~4. The District will not admit nonresident students when doing so would cause the district~~
35 ~~to exceed the class size standards under 10.55.712 and 10.55.713, ARM.~~
- 36
37 ~~5. Every nonresident student who attends District schools must reapply for admission for~~
38 ~~the succeeding school year by June 15. Admission in one school year does not infer or~~
39 ~~guarantee admission in subsequent years.~~
- 40
41 ~~6. Nonresident students enrolled under this policy are subject to all district policies, rules,~~
42 ~~regulations on the same basis as resident students.~~
- 43
44 ~~7. All resident students who become nonresidents because their parents or guardians move~~
45 ~~out of the District may continue attendance for the school year, barring registration in~~
46 ~~another District. At the completion of the school year, a student must apply as a~~

1 ~~nonresident student in accordance with #5.~~

2
3 8. ~~[OPTIONAL] The Board will not admit any student who is expelled from another~~
4 ~~school district.~~

5
6 9. ~~(OPTIONAL Use only if the district currently charges tuition) The Board reserves~~
7 ~~the right to charge tuition for nonresident students. At its discretion, the Board may~~
8 ~~charge or waive tuition for all students whose tuition is required to be paid by one kind of~~
9 ~~entity, defined as either a parent or guardian or a school district. Any waiver of tuition~~
10 ~~will be applied equally to all students whose tuition is paid by the same kind of entity~~
11 ~~(i.e., if the District charges tuition in those circumstances where a resident district pays~~
12 ~~but waives tuition in those circumstances where a parent or guardian is responsible for~~
13 ~~tuition, the tuition waiver will be applicable to all students whose parents or guardians~~
14 ~~bear the responsibility for payment).~~

15
16 10. ~~All nonresident students will be considered ineligible transportees for school~~
17 ~~transportation services (§ 20-10-101, MCA).~~

19 11. ~~(Optional) As part of the District's strategic planning process, the Board of Trustees may~~

5 Use of Restraint, Seclusion, and Aversive Techniques for Students

6
7 Conduct of Employees Directed Toward Students

8
9 The use by appropriately trained District personnel towards or directed at any student of any form
10 of restraint or seclusion as defined in this policy, is prohibited except in circumstances where
11 proportional restraint or seclusion of a student is necessary when a student’s conduct creates a
12 reasonable belief in the perspective of a District employee, that the conduct of the student has
13 placed the student, the employee, or any other individual in imminent danger of serious bodily
14 harm.

15
16 The employee or any employee who is a witness to this event shall immediately seek out the
17 assistance of the school’s administration or, if such administrator is not available, a certified or
18 classified employee with special training in seclusion and restraint, if available. Upon the arrival
19 of such individual, the administrator or if no administrator is available, the most senior trained
20 individual on seclusion or restraint shall take control over the situation. The most senior trained
21 individual shall direct another available staff member to notify the student’s parent or guardian of
22 the situation consistent with Policy 3413.

23
24 Seclusion or restraint of a student shall immediately be terminated when it is decided that the
25 student is no longer an immediate danger to him or herself or to any other third person or if it is
26 determined that the student is exhibiting extreme distress or at such time that appropriate
27 administrative personnel have taken custody of the child or upon such time that the parent/legal
28 guardian of the child has retaken custody of the child.

29
30 Regardless of employee training status, no District personnel shall use any form of aversive
31 technique or corporal punishment against any student. All seclusion will be in compliance with a
32 student’s IEP or Section 504 Plan.

33
34 If a situation occurs where a properly trained District employee must use acts of restraint or
35 seclusion against a school student, the following shall occur:

- 36
37 1. The employee shall immediately report to their building principal, in writing, the
38 following information:
39 A. The date the event occurred;
40 B. The circumstances leading to the event;
41 C. The student involved; and
42 D. Other witnesses or participants to the event.
43
44 2. The building principal shall notify the Superintendent’s office of the event, providing the
45 Superintendent’s office with a copy of the report of events.

- 1
2 3. The building principal shall ascertain if any of the school's video equipment captured the
3 event on a recording. If such event was captured on recording, the principal shall take all
4 best efforts to maintain a copy of the recording and provide such to the Superintendent's
5 Office for the Superintendent's official records of the event.
6
- 7 4. The Superintendent or designee shall ascertain the special needs status of the student
8 involved in the seclusion or restraint and shall ascertain and maintain documentation as to
9 whether or not such events were consistent with or contraindicated due to the student's
10 psychiatric, medical, or physical condition(s). Parental consent is required prior to any
11 psychiatric, medical, or physical examination or services.
12
- 13 5. The Superintendent or designee of the Superintendent shall notify the parent or legal
14 guardian of the subject student of the situation and the event of restraint or seclusion via
15 telephone and provide the parent/legal guardian with the name and telephone contact
16 information of the building principal where the parent may obtain additional information
17 regarding the event.
18
- 19 6. The Superintendent or designee of the Superintendent shall provide the parent/legal
20 guardian of the student with written notice of the event of restraint or seclusion of their
21 student.
22
- 23 7. The Superintendent's office shall maintain documentation as to events of restraint and
24 seclusion and shall prepare any and all necessary reports to legal entities upon whom such
25 reports are or may become due pursuant to State and federal regulations.
26

27 Training of School Personnel

28
29 As part of the training and preparation of each certified administrator, certified teacher, and in-
30 building classified employee of the District, the following shall occur:
31

- 32 1. Training to personnel as to proper situations and events leading to student seclusion and
33 intervention, including possible preventative alternatives to seclusion and restraint, safe
34 physical escort, de-escalation of student crisis situations, and positive behavioral
35 intervention techniques and supports;
36
- 37 2. Training of personnel in crisis/conflict management and emergency situations which may
38 occur in the school setting, including examples and demonstrations of proper activities
39 and techniques and trainers observing employee use of proper activities and techniques in
40 the training setting;
41
- 42 3. Techniques to utilize to limit the possibility of injury to the student, the employee and any
43 other third party in the area;
44

- 1 4. Information as to the school’s student seclusion areas in each respective school building
2 to which the employee is assigned; and
3
- 4 5. Provision of the employee with a copy of this policy.
5

6 Employees authorized to engage in seclusion and restraint will also be trained in CPR and basic
7 first aid.
8

9 It is a goal that all new employees are trained in the area of student restraint and seclusion during
10 their first week of employment. However, this may not be possible due to realities of the
11 operation of a school district. If an employee has not yet undergone training and a situation
12 necessitating student restraint or seclusion occurs, and another properly trained employee of the
13 District is present at the event, the properly trained employee shall take the lead in addressing the
14 student crisis.
15

16 Designated Locations 17

18 Each school building for which students are present must have a building designated location for
19 student seclusion. It is the responsibility of the building’s principal, or designee of the principal,
20 to assure that the building’s designated seclusion location is a safe and clean location and that
21 such location has appropriate supervision when any student has been placed into seclusion
22 pursuant to this policy. All seclusion will be in compliance with a student’s IEP or Section 504
23 Plan. Appropriate supervision shall include an adult in the seclusion location which has
24 continuous visual observation of the secluded student.
25

26 Definitions 27

28 For the purposes of this policy, the following definitions shall apply:
29

30 **Restraint:** The immobilization or reduction of a student’s freedom of movement for the purpose
31 of preventing harm to students or others through chemical, manual method, physical, or
32 mechanical device, material, or equipment.
33

34 **Seclusion:** Involuntary confinement in a room or other space during which a student is prevented
35 from leaving or reasonably believes that the he or she can leave or be prevented from leaving
36 through manually, mechanically, or electronically locked doors that, when closed, cannot be
37 opened from the inside; blocking or other physical interference by staff; or coercive measures,
38 such as the threat of restraint, sanctions, or the loss of privileges that the student would otherwise
39 have, used for the purpose of keeping the student from leaving the area of seclusion.
40

41 **Aversive Technique:** Physical, emotional, or mental distress as a method of redirecting or
42 controlling behavior including by not limited to corporal punishment.

5 Student Risk Assessments

6
7 The District may establish a risk assessment team for students whose behavior may pose a risk to
8 the safety of school staff or students.

9
10 Each team shall:

- 11 1. Provide guidance to students, faculty, and staff regarding recognition of threatening or
- 12 aberrant behavior that may represent a risk to the community, school, or self;
- 13 2. Include persons with expertise in counseling, instruction, school administration, and law
- 14 enforcement.
- 15 3. Identify members of the school community who should be informed of behavior;
- 16 4. Implement school board policies for the assessment of and intervention with students
- 17 whose behavior poses a risk to the safety of school staff or students including response
- 18 plans; and
- 19 5. Utilize available forms and procedures.

20
21 All District employees, volunteers, and contractors are required to report any expressed risks or
22 behavior that may represent a risk to the community, school, or self. In cases determined to be
23 appropriate, teams shall follow established procedures for referrals to community services,
24 boards, or health care providers for evaluation or treatment when appropriate.

25
26 Upon a preliminary determination that a student poses a risk of violence or physical harm to self
27 or others, a risk assessment team shall immediately report its determination to the superintendent
28 or designee. The superintendent or designee shall immediately attempt to notify the student’s
29 parent or legal guardian to secure consent prior to completion of an assessment. Nothing in this
30 policy shall prevent a District employee from acting immediately to address an imminent risk.

31
32 The superintendent may establish a committee charged with oversight of the risk assessment
33 teams. An existing committee may be designated to assume the oversight responsibility;
34 however, any such team shall include individuals with expertise in human resources, education,
35 school administration, mental health, and law enforcement.

36
37 Regardless of risk assessment activities, disciplinary action and referral to law enforcement are
38 to occur as required by school board policy and Montana law. The District may, in accordance
39 with the provisions in Policy 3600P, release student records or information in connection with an
40 emergency, without parental consent, if the knowledge of such information is necessary to
41 protect the health or safety of the student or other persons.

5 Emergency Treatment

6
7 The Board recognizes that schools are responsible for providing first aid or emergency treatment
8 to a student in case of sudden illness, episode, or injury; however, further medical attention is the
9 responsibility of a parent or guardian.

10
11 The District requires that every parent or guardian provide a telephone number where a parent or
12 designee of a parent may be reached in case of an emergency.

13
14 When a student is injured, staff will provide immediate care and attention until relieved by a
15 superior, a nurse, or a doctor. The District will employ its normal procedures to address medical
16 emergencies without regard to the existence of a do not resuscitate (DNR) request. A principal
17 or designated staff member will immediately call a parent or parental designee so that the parent
18 may arrange for care or treatment of an injured student.

19
20 When a student develops symptoms of illness while at school, a responsible school official will
21 do the following:

22
23 Isolate the student from other children to a room or area segregated for that purpose;

24
25 Inform a parent or guardian as soon as possible about the illness and request the parent or
26 guardian pick up the child; and

27
28 Report each case of suspected communicable disease the same day by telephone to a
29 local health authority or as soon as possible thereafter if a health authority cannot be
30 reached the same day.

31
32 When a student exhibits behaviors or conduct of a nature that creates concern for the student's
33 safety or the safety of others, a responsible school official will isolate the student from other
34 children to a room or area segregated for that purpose. School officials may also utilize
35 techniques and strategies available under Policy 3305 and Policy 3310P.

36
37 Inform a parent or guardian as soon as possible about the illness and request the parent or
38 guardian to pick up the child;

39
40 When a parent or guardian cannot be reached, and it is the judgment of a principal or other
41 person in charge that immediate medical attention is required, an injured student may be taken
42 directly to a hospital. Once located, a parent or a guardian is responsible for continuing
43 treatment or for making other arrangements.

9 *This notification may be distributed by any means likely to reach the parent(s)/guardian(s).*

10
11 The District will maintain two (2) sets of school records for each student: a permanent record
12 and a cumulative record. The permanent record will include:

- 13
14 Basic identifying information including name
15 Academic work completed (transcripts)
16 Level of achievement (grades, standardized achievement tests)
17 Immunization records (per § 20-5-506, MCA)
18 Attendance record
19 Statewide student identifier assigned by the Office of Public Instruction
20 Record of any disciplinary action taken against the student, which is educationally related

21
22 The cumulative record may include:

- 23
24 Intelligence and aptitude scores
25 Health and Psychological reports
26 Participation in extracurricular activities
27 Honors and awards
28 Teacher anecdotal records
29 Verified reports or information from non-educational persons
30 Verified information of clear relevance to the student's education
31 Information pertaining to release of this record
32 Disciplinary information

33
34 The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students
35 over eighteen (18) years of age ("eligible students") certain rights with respect to the student's
36 education records. They are:

- 37
38 1. **The right to inspect and copy the student's education records, within a reasonable**
39 **time from the day the District receives a request for access.**

40
41 "Eligible" students, who are eighteen (18) years of age or older, have the right to inspect
42 and copy their permanent record. Parents/guardians or "eligible" students should submit
43 to the school principal (or appropriate school official) a written request identifying the
44 record(s) they wish to inspect. The principal will make, within forty-five (45) days,
45 arrangements for access and notify the parent(s)/ guardian(s) or eligible student of the
46 time and place the records may be inspected. The District charges a nominal fee for

1
2
3
4 copying, but no one will be denied their right to copies of their records for inability to pay
5 this cost.

6
7 The rights contained in this section are denied to any person against whom an order of
8 protection has been entered concerning a student.

9
10 **2. The right to request amendment of the student's education records which the**
11 **parent(s)/guardian(s) or eligible student believes are inaccurate, misleading,**
12 **irrelevant, or improper.**

13
14 Parents/guardians or eligible students may ask the District to amend a record they believe
15 is inaccurate, misleading, irrelevant, or improper. They should write the school principal
16 or records custodian, clearly identifying the part of the record they want changed and
17 specify the reason.

18
19 If the District decides not to amend the record as requested by the parent(s)/guardian(s) or
20 eligible student, the District will notify the parent(s)/guardian(s) or eligible student of the
21 decision and advise him or her of their right to a hearing regarding the request for
22 amendment. Additional information regarding the hearing procedures will be provided to
23 the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.

24
25 **3. The right to permit disclosure of personally identifiable information contained in**
26 **the student's education records, except to the extent that FERPA or state law**
27 **authorizes disclosure without consent.**

28
29 Disclosure is permitted without consent to school officials with legitimate educational or
30 administrative interests. A school official is a person employed by the District as an
31 administrator, supervisor, instructor, or support staff member (including health or
32 medical staff and law enforcement unit personnel); a person serving on the Board; a
33 person or company with whom the District has contracted to perform a special task (such
34 as contractors, attorneys, auditors, consultants, or therapists); volunteers; other outside
35 parties to whom an educational agency or institution has outsourced institutional services
36 or functions that it would otherwise use employees to perform; or a parent(s)/guardian(s)
37 or student serving on an official committee, such as a disciplinary or grievance
38 committee, or assisting another school official in performing his or her tasks.

39
40 A school official has a legitimate educational interest if the official needs to review an
41 education record in order to fulfill his or her professional responsibility.

42
43 Upon request, the District discloses education records, without consent, to officials of
44 another school district in which a student has enrolled or intends to enroll, as well as to
45 any person as specifically required by state or federal law. Before information is
46 released to individuals described in this paragraph, the parent(s)/guardian(s) will receive

1
2
3
4 written notice of the nature and substance of the information and an opportunity to
5 inspect, copy, and challenge such records. The right to challenge school student records
6 does not apply to: (1) academic grades of their child, and (2) references to expulsions or
7 out-of-school suspensions if the challenge is made at the time the student's school student
8 records are forwarded to another school to which the student is transferring.
9

11 reporting, or planning, provided that no student or parent(s)/guardian(s) can be identified;

45 *otherwise. When a student transfers, leaves the District, or graduates, the school must*
46 *continue to honor a decision to opt-out, unless the parent or student rescinds the*

7 Maintenance of School Student Records

8
9 The District maintains two (2) sets of school records for each student – a permanent record and a
10 cumulative record.

11
12 The permanent record will include:

- 13
- 14 Basic identifying information including name
- 15 Academic work completed (transcripts)
- 16 Level of achievement (grades, standardized achievement tests)
- 17 Immunization records (per § 20-5-406, MCA)
- 18 Attendance record
- 19 Statewide student identifier assigned by the Office of Public Instruction
- 20 Record of any disciplinary action taken against the student, which is educationally related

21
22 Each student’s permanent file, as defined by the board of public education, must be permanently kept in a
23 secure location.

24
25 The cumulative record may include:

- 26
- 27 Intelligence and aptitude scores
- 28 Health and psychological reports
- 29 Participation in extracurricular activities
- 30 Honors and awards
- 31 Teacher anecdotal records
- 32 Verified reports or information from non-educational persons
- 33 Verified information of clear relevance to the student’s education
- 34 Information pertaining to release of this record
- 35 Disciplinary information
- 36 Camera footage only for those students directly involved in the incident

37
38 Information in the permanent record will indicate authorship and date and will be maintained in
39 perpetuity for every student who has been enrolled in the District. Cumulative records will be maintained
40 for eight (8) years after the student graduates or permanently leaves the District. Cumulative records
41 which may be of continued assistance to a student with disabilities, who graduates or permanently
42 withdraws from the District, may, after five (5) years, be transferred to the parents or to the student if the
43 student has succeeded to the rights of the parents.

44
45 The building principal will be responsible for maintenance, retention, or destruction of a student’s
46 permanent or cumulative records, in accordance with District procedure established by the
47 Superintendent.

48
49 Access to Student Records

50
51 The District will grant access to student records as follows:

1
2 1. The District or any District employee will not release, disclose, or grant access to information
3 found in any student record except under the conditions set forth in this document.
4

5 2. The parents of a student under eighteen (18) years of age will be entitled to inspect and copy
6 information in the child's school records. Such requests will be made in writing and directed to
7 the records custodian. Access to the records will be granted within fifteen (15) days of the
8 District's receipt of such request. Parents are not entitled to records of other students. If a record
9 contains information about two students, information related to the student of the non-requesting
10 parent will be redacted from the record.
11

12 In situations involving a record containing video footage, a parent of a student whose record
13 contains the footage is allowed to view the footage contained in the record but is not permitted to
14 receive a copy unless the parents of the other involved students provide consent. The footage is
15 not a record of students in the background of the image or not otherwise involved in the
16 underlying matter.
17

18 Where the parents are divorced or separated, both will be permitted to inspect and copy the
19 student's school records, unless a court order indicates otherwise. The District will send copies
20 of the following to both parents at either one's request, unless a court order indicates otherwise:
21

- 22 a. Academic progress reports or records;
- 23 b. Health reports;
- 24 c. Notices of parent-teacher conferences;
- 25 d. School calendars distributed to parents/guardians; and
- 26 e. Notices about open houses and other major school events, including student-parent
27 interaction.
28

29 A student that attains the age of legal majority is an "eligible student" under FERPA. An eligible
30 student has the right to access and inspect their student records. An eligible student may not
31 prevent their parents from accessing and inspecting their student records if they are a dependent
32 of their parents in accordance with Internal Revenue Service regulations.
33

34 Access will not be granted to the parent or the student to confidential letters and
35 recommendations concerning admission to a post-secondary educational institution, applications
36 for employment, or receipt of an honor or award, if the student has waived his or her right of
37 access after being advised of his or her right to obtain the names of all persons making such
38 confidential letters or statements.
39

40 2. The District may grant access to or release information from student records without prior written
41 consent to school officials with a legitimate educational interest in the information. A school
42 official is a person employed by the District in an administrative, supervisory, academic, or
43 support staff position (including, but not limited to administrators, teachers, counselors,
44 paraprofessionals, coaches, and bus drivers), and the board of trustees. A school official may also
45 include a volunteer or contractor not employed by the District but who performs an educational
46 service or function for which the District would otherwise use its own employees and who is
47 under the direct control of the District with respect to the use and maintenance of personally
48 identifying information from education records, or such other third parties under contract with the
49 District to provide professional services related to the District's educational
50 mission, including, but not limited to, attorneys and auditors. A school official has a legitimate
51 educational interest in student education information when the official needs the information in

1 order to fulfill his or her professional responsibilities for the District. Access by school officials
2 to student education information will be restricted to that portion of a student's records necessary
3 for the school official to perform or accomplish their official or professional duties.
4

- 5 4. The District may grant access to or release information from student records without parental
6 consent or notification to any person, for the purpose of research, statistical reporting, or
7 planning, provided that no student or parent can be identified from the information released, and
8 the person to whom the information is released signs an affidavit agreeing to comply with all
9 applicable statutes and rules pertaining to school student records.
10
- 11 5. The District may grant release of a child's education records to child welfare agencies without the
12 prior written consent of the parents.
13
- 14 6. The District will grant access to or release information from a student's records pursuant to a
15 court order.
16
- 17 7. The District will grant access to or release information from any student record, as specifically
18 required by federal or state statute.
19
- 20 8. The District will grant access to or release information from student records to any person
21 possessing a written, dated consent, signed by the parent or eligible student, with particularity as
22 to whom the records may be released, the information or record to be released, and reason for the
23 release. One (1) copy of the consent form will be kept in the records, and one (1) copy will be
24 mailed to the parent or eligible student by the Superintendent. Whenever the District requests
25 consent to release certain records, the records custodian will inform the parent or eligible student
26 of the right to limit such consent to specific portions of information in the records.
27
- 28 9. The District may release student records to the superintendent or an official with similar
29 responsibilities in a school in which the student has enrolled or intends to enroll, upon written
30 request from such official. School officials may also include those listed in #3 above.
31
- 32 10. Prior to release of any records or information under items 5, 6, 7, 8, and 9, above, the District will
33 provide prompt written notice to the parents or eligible student of this intended action. This
34 notification will include a statement concerning the nature and substance of the records to be
35 released and the right to inspect, copy, and challenge the contents.
36
- 37 11. The District may release student records or information in connection with an emergency, without
38 parental consent, if the knowledge of such information is necessary to protect the health or safety
39 of the student or other persons. The records custodian will make this decision, taking into
40 consideration the nature of the emergency, the seriousness of the threat to the health and safety of
41 the student or other persons, the need for such records to meet the emergency, and whether the
42 persons to whom such records are released are in a position to deal with the emergency. The
43 District will notify the parents or eligible student, as soon as possible, of the information released,
44 date of the release, the person, agency, or organization to whom the release was made, and the
45 purpose of the release.
46
- 47 12. The District may disclose, without parental consent, student records or information to the youth
48 court and law enforcement authorities, pertaining to violations of the Montana Youth Court Act
49 or criminal laws by the student.
50
- 51 13. The District will comply with an *ex parte* order requiring it to permit the U.S. Attorney

1 General or designee to have access to a student's school records without notice to or consent of
2 the student's parent(s)/guardian(s).

3
4 14. The District charges a nominal fee for copying information in the student's records. No parent or
5 student will be precluded from copying information because of financial hardship.

6
7 15. A record of all releases of information from student records (including all instances of access
8 granted, whether or not records were copied) will be kept and maintained as part of such records.
9 This record will be maintained for the life of the student record and will be accessible only to the
10 parent or eligible student, records custodian, or other person. The record of release will include:

- 11

PERSONNEL

Applicability of Personnel Policies

Except where expressly provided to the contrary, personnel policies apply uniformly to the employed staff of the District. However, where there is a conflict between terms of a collective bargaining agreement and District policy, the terms of the collective bargaining agreement shall prevail for staff covered by that agreement.

Board policies will govern when a matter is not specifically provided for in an applicable collective bargaining agreement.

Each personnel position in the District will be directed by a position description that delineates the responsibilities of the employee. The employee will receive the position description with the employment contract. Position descriptions are available upon request. The Board of Trustees will regularly review the position descriptions.

Professional Development

If not otherwise addressed in the applicable collective bargaining agreements, the Board shall establish an advisory committee to evaluate the District’s current school year professional development plan; and develop and recommend a plan for the subsequent school year. The advisory committee shall include, but not be limited to, trustees, administrators, and teachers. A majority of the committee shall be teachers. Each school year the Board shall adopt a professional development plan for the subsequent school year based on the recommendation of the advisory committee that meets the requirements of ARM 10.55.714.

Mentorship and Induction

The Board of Trustees authorizes the District Administrator to collaborate with educational staff of the District to implement a mentorship and induction program within each school in the District consistent with the terms of the District’s integrated strategic action plan and 10.55.723 ARM.

6 Personal Conduct

7
8 School District employees will abide by all district policies, state and federal laws in the course
9 of their employment. Where applicable, employees will abide by and honor the professional
10 educator code of conduct.

11
12 All employees are expected to maintain high standards of honesty, integrity, professionalism,
13 decorum, and impartiality in the conduct of District business. All employees shall maintain
14 appropriate employee-student relationship boundaries in all respects, including but not limited to
15 personal, speech, print, and digital communications. Failure to honor the appropriate employee
16 student relationship boundary will result in a report to the Department of Public Health and
17 Human Services and the appropriate law enforcement agency.

18
19 In accordance with state law, an employee shall not dispense or utilize any information gained
20 from employment with the District, accept gifts or benefits, or participate in business enterprises
21 or employment that creates a conflict of interest with the faithful and impartial discharge of the
22 employee's District duties. An employee shall not perform an official act directly and
23 substantially affecting its economic benefit to a business or other undertaking in which the
24 employee either has a substantial financial interest or is engaged as counsel, consultant,
25 representative, or agent. An employee shall not perform an official act directly and substantially
26 impacting another business or other undertaking which is of economic detriment when the
27 employee has a substantial personal interest in a competing firm or undertaking.

28
29 A District employee, before acting in a manner which might impinge on any fiduciary duty, ~~may~~
30 shall disclose the nature of the private interest which would create a conflict to avoid disruption
31 to District operations. Care should be taken to avoid using or avoid the appearance of using
32 official positions and confidential information for personal advantage or gain. An employee shall
33 not act as an agent or solicitor in the sale or supply of goods or services to a district. An
34 employee shall not use District time, facilities, equipment, supplies, personnel, or funds for the
35 officer's or employee's private business, political, or commercial purposes. Curriculum or
36 materials created within the course of the employee's duties for the District using District
37 resources are considered to be the property of the District.

38
39 An employee shall not assist any person for a fee or other compensation in obtaining a contract,
40 claim, license, or other economic benefit from the District. An employee shall not solicit or
41 accept employment or engage in negotiations or meetings to consider employment, with a person
42 whom the officer or employee regulates in the course of official duties without first giving
43 written notification to the District.

44
45 Further, employees are expected to hold confidential all information deemed not to be for public
46 consumption as determined by state law and Board policy. Employees also will respect the

1 confidentiality of people served in the course of an employee’s duties and use information gained
2 in a responsible manner. The Board may discipline, up to and including discharge, any
3 employee who discloses confidential and/or private information learned during the course of the
4 employee’s duties or learned as a result of the employee’s participation in a closed (executive)
5 session of the Board. Discretion should be used even within the school system’s own network of
6 communication and confidential information should only be communicated on a need to know
7 basis. Employees shall not record or cause to be recorded a conversation by use of a hidden
8 electronic or mechanical device which may include any combination of audio or video that
9 reproduces a human conversation without the knowledge of all parties to the conversation.

10
11 Administrators and supervisors may set forth specific rules and regulations governing staff
12 conduct on the job within a particular building.

34 enforcement in accordance with Montana law.

35
36 For the purposes of this policy, “school property” means within school buildings, in vehicles

42 words "or part or parts of a building" and is considered to include all stadiums, bleachers, and
43 other similar outdoor facilities, whether temporary or permanently fixed.

44
45 This section does not apply to a law enforcement officer acting in the officer’s official capacity
46 or an individual previously authorized by the Board of Trustees to possess a firearm or weapon

1 in a school building.

2
3 The Board of Trustees shall annually review this policy and update this policy as determined

20 Whenever it is in the interest of the District, the District will execute a contract for any building
21 furnishing, repairing, or other work for the benefit of the District. If the sum of the contract or
22 work exceeds Eighty Thousand Dollars (\$80,000), the District will call for formal bids by issuing
23 public notice as specified in statute. Specifications will be prepared and made available to all
24 vendors interested in submitting a bid. The contract shall be awarded to the lowest responsible
25 bidder, except that the trustees may reject any or all bids as per § 18-4-307, MCA as stated below
26 in the legal reference. The Board, in making a determination as to which vendor is the lowest
27 responsible bidder, will take into consideration not only the amount of each bid, but will also
28 consider the skill, ability, and integrity of a vendor to do faithful, conscientious work and to
29 promptly fulfill the contract according to its letter and spirit. Bidding requirements do not apply
30 to a registered professional engineer, surveyor, real estate appraiser, or registered architect; a
31 physician, dentist, pharmacist, or other medical, dental, or health care provider; an attorney; a
32 consulting actuary; a private investigator licensed by any jurisdiction; a claims adjuster; or an
33 accountant licensed under Title 37, Chapter 50.

34
35 Advertisement for bid must be made once each week for two (2) consecutive weeks, and a
36 second (2nd) publication must be made not less than five (5) or more than twelve (12) days before
37 consideration of bids.

38
39 The Superintendent will establish bidding and contract-awarding procedures. Each bid and
40 procurement procedures completed by the District will comply with applicable
41 nondiscrimination laws. Each vendor or contractor awarded a contract under this policy or any
42 District procurement process shall comply with all applicable nondiscrimination laws. Bid
43 procedures will be waived only as specified in statute. Any contract required to be let for bid
44 shall contain language to the following effect:

1 *In making a determination as to which vendor is the lowest responsible bidder, if*
 2 *any, the District will take into consideration not only the pecuniary ability of a*
 3 *vendor to perform the contract, but will also consider the skill, ability, and*
 4 *integrity of a vendor to do faithful, conscientious work and promptly fulfill the*
 5 *contract according to its letter and spirit. References must be provided and will*
 6 *be contacted. The District further reserves the right to contact others with whom*
 7 *a vendor has conducted business, in addition to those listed as references, in*
 8 *determining whether a vendor is the lowest responsible bidder. Additional*
 9 *information and/or inquiries into a vendor’s skill, ability, and integrity are set*
 10 *forth in the bid specifications.*

11
 12 Cooperative Purchasing

13
 14 The District may enter into cooperative purchasing contracts with one or more districts for
 15 procurement of supplies or services. A district participating in a cooperative purchasing group
 16 may purchase supplies and services through the group without complying with the provisions of
 17 20-9-204(4), MCA if the cooperative purchasing group has a publicly available master list of
 18 items available with pricing included and provides an opportunity at least twice yearly for any
 19 vendor, including a Montana vendor, to compete, based on a lowest responsible bidder standard,
 20 for inclusion of the vendor's supplies and services on the cooperative purchasing group's master
 21 list.

5 Bus Routes and Schedules

6
7 The Superintendent's designee is responsible for scheduling bus transportation, including
8 determination of routes and bus stops. Such routes are subject to approval of the county
9 transportation committee. The purpose of bus scheduling and routing is to achieve maximum
10 service with a minimum fleet of buses consistent with providing safe and reasonably equal
11 service to all bus students.

12
13 In order to operate the transportation system as safely and efficiently as possible, the following
14 factors shall be considered in establishing bus routes:

- 15
- 16 1. A school bus route shall be established with due consideration of the sum total of local
17 conditions affecting the safety, economic soundness, and convenience of its operation,
18 including road conditions, condition of bridges and culverts, hazardous crossings,
19 presence of railroad tracks and arterial highways, extreme weather conditions and
20 variations, length of route, number of families and children to be serviced, availability of
21 turnaround points, capacity of bus, and related factors.
 - 22
23 2. The District may extend a bus route across another transportation service area, if it is
24 necessary in order to provide transportation to students in the District's own
25 transportation service area. A district may not transport students from outside its
26 transportation service area.
 - 27
28 3. No school child attending an elementary school shall be required to ride the school bus
29 under average road conditions more than one (1) hour without consent of the child's
30 parent or guardian.
 - 31
32 4. School bus drivers are encouraged to make recommendations in regard to establishing or
33 changing routes.
 - 34
35 5. Parents should be referred to the Superintendent for any request of change in routes,
36 stops, or schedules.

37
38 The Board reserves the right to change, alter, add, or delete any route at any time such changes
39 are deemed in the best interest of the District, subject to approval by the county transportation
40 committee.

41
42 Bus Stops

43
44 Buses should stop only at designated places approved by school authorities. Exceptions should
45 be made only in cases of emergency and inclement weather conditions.

1 bus stops shall be chosen with safety in mind. Points shall be selected where motorists
2 approaching from either direction will have a clear view of the bus for a distance of at least three
3 hundred (300) to five hundred (500) feet.

4
5 School loading and unloading zones are to be established and marked to provide safe and orderly
6 loading and unloading of students. The principal of each building is responsible for the conduct
7 of students waiting in loading zones.

8
9 The Board of Trustees shall approve all school bus stops requiring a child to cross a roadway.

10
11 Delay in Schedule

12
13 The driver is to notify the administration of a delay in schedule. The administration will notify
14 parents on routes and radio stations, if necessary.

15
16 Responsibilities - Students

17
18 Students must realize that safety is based on group conduct. Talk should be in conversational
19 tones at all times. There should be no shouting or loud talking which may distract the bus driver.
20 There should be no shouting at passersby. Students should instantly obey any command or
21 suggestions from the driver and/or his/her assistants.

22
23 Responsibilities - Parents

24
25 The interest and assistance of each parent is a valued asset to the transportation program.
26 Parents' efforts toward making each bus trip a safe and pleasant experience are requested and
27 appreciated. The following suggestions are only three of the many ways parents can assist:

- 28
29 1. Ensure that students are at the bus stop in sufficient time to efficiently meet the bus.
30 2. Properly prepare children for weather conditions.
31 3. Encourage school bus safety at home. Caution children regarding safe behavior and
32 conduct while riding the school bus.

33
34 Safety

35
36 The Superintendent will develop written rules establishing procedures for bus safety and
37 emergency exit drills and for student conduct while riding buses.

38
39 If the bus and driver are present, the driver is responsible for the safety of his/her passengers,
40 particularly for those who must cross a roadway prior to loading or after leaving the bus. Except
41 in emergencies, no bus driver shall order or allow a student to board or disembark at other than
42 his/her assigned stop unless so authorized by the Superintendent. In order to assure the safety of
43 all, the bus driver may hold students accountable for their conduct during the course of
44 transportation and may recommend corrective action against a student. Bus drivers are expressly
45 prohibited from using corporal punishment.

1 The bus driver is responsible for the use of the warning and stop signaling systems and the
2 consequent protection of his/her passengers. Failure to use the system constitutes negligence on
3 the part of the driver. Each bus shall be equipped with extended stop arms as required by law.
4

5 Inclement Weather
6

7 The Board recognizes the unpredictability and resulting dangers associated with weather in
8 Montana. In the interest of safety and operational efficiency, the Superintendent is empowered
9 to make decisions as to emergency operation of buses, cancellation of bus routes, and closing of
10 school, in accordance with his or her best judgment. The Board may develop guidelines in
11 cooperation with the Superintendent to assist the Superintendent in making such decisions.
12

13 Compliance
14

15 To receive full state/county reimbursement, budgets must have enough funds to cover the costs
16 of any changes to the route. The county transportation committee has authority to establish
17 transportation service areas, should circumstances and/or geography (demographics) warrant.

7 In the event of an accident or other emergency, the bus driver shall follow the emergency
8 procedures developed by the Superintendent. A copy of the emergency procedures will be
9 located in every bus. To ensure the success of such emergency procedures, every bus driver will
10 conduct an emergency evacuation drill as early as possible within the first two weeks of the first
11 semester and within the first week of the second semester. Students must complete a bus safety

34 host/owner does not reside in the property or will otherwise have access to students. Steps shall
35 be taken to ensure students do not engaged in improper conduct including review of the floorplan

37 service which shall permit the district to cancel or seek redress in the event the property is
38 unsatisfactory or unsafe. Students and staff shall not be lodged in private residences without the

10 attend the trip and must be provided with reasonable accommodations that do not require the
11 child to share a room or sleeping quarters with an individual of the opposite sex.

12
13 District Policy

14
15 All student and staff policies and procedures will be in effect during District-approved or
